Union Camp Corporation  
300 Chestnut Street  
Franklin, Ohio 45005  
Warren County

I.D.# OHD004238747

The Union Camp Corporation is located in Franklin, Ohio, adjacent to the Great Miami River. Operations at this site began in 1962 and the facility is presently active. The Union Camp Corporation is a manufacturer of school supplies, stationary and paper lining. The facility is a small quantity generator of D001 (ignitable) and F003 (listed) hazardous waste. No hazardous waste is discharged to facility property. The waste generated is composed of an alcohol (ethanol, methanol, & isopropanol) and oil residue, from an envelope printing operation, when ink fountains are cleaned. A current estimate of generated waste is 55 gallons per year, and there is no wastewater generated at the site, therefore, no discharge to the Great Miami River, Clear Creek or Twin Creek.

Franklin's wells are located on the Great Miami Buried Valley Aquifer, on the west and east sides of the Great Miami River. Three (3) of the wells are within 1000 feet of the site and the remaining well is located 2000 feet from the site. No known ground water or surface water contamination exists at the site.

The low priority for state and no F.I.T. Activity is recommended for the site.
